

FV 130.2 | Pot & Pan Washer

FV 250.2 | Pot & Pan Washer

DV 270.2 | Door Type Pot & Pan Washer

Our FV 130.2 is an NSF-rated pot and pan washer with unique oscillating wash arms ensuring thorough water coverage, while MEIKO's Soft Start System protects fragile glassware.

CAPACITY:
20 cycles/hr., 31-1/2" x 26-1/2" basket
(up to 11 sheet pans)

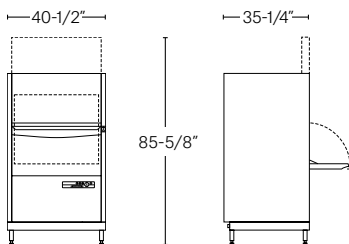

WATER CONSUMPTION:
47.4 gals./hr., 2.37 gals./cycle

WATER SUPPLY TEMPERATURE:
Any; 140°F recommended

WASH PUMP:
3.5 hp.

OPTIONS:
Internal detergent/rinse aid pumps, drain tempering, flanged feet, dishracks, external vent fan control, power vent option, power vent adapter, correctional package

VOLTAGES:
208-230V / 60Hz / 3Ph
460V / 60Hz / 3Ph

Like the smaller FV 130.2, the larger FV 250.2 is also rated as both a pot and pan washer — but with greater capacity.

CAPACITY:
15 cycles/hr., 50-1/2" x 26" basket
(up to 22 sheet pans)

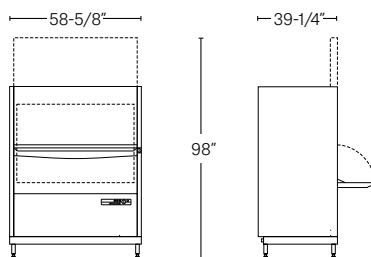

WATER CONSUMPTION:
38.25 gals./hr., 2.55 gals./cycle

WATER SUPPLY TEMPERATURE:
Any; 140°F recommended

WASH PUMP:
2 x 3 hp.

OPTIONS:
Internal detergent/rinse aid pumps, drain tempering, flanged feet, dishracks, external vent fan control, additional sheet pan insert, power vent option, power vent adapter, correctional package

VOLTAGES:
208-230V / 60Hz / 3Ph
460V / 60Hz / 3Ph

The innovative DV 270.2 combines the power and capacity of MEIKO's FV 250.2 with the easier loading of a traditional tabling-style door type warewasher.

CAPACITY:
15 cycles/hr., 50-1/2" x 26" basket
(up to 22 sheet pans)

WATER CONSUMPTION:
38.25 gals./hr., 2.55 gals./cycle

WATER SUPPLY TEMPERATURE:
Any; 140°F recommended

WASH PUMP:
2 x 3 hp.

OPTIONS:
Internal detergent/rinse aid pumps, drain tempering, flanged feet, dishracks, external vent fan control, additional wheeled basket, additional sheet pan insert, correctional package

VOLTAGES:
208-230V / 60Hz / 3Ph
460V / 60Hz / 3Ph
